No officer involved in the preparation of this report has any conflicts of interest.

Background

The 2020 Act was passed by the Victorian Parliament in March 2020, receiving royal assent on 24 March 2020. There are four stages to be proclaimed by July 2021. The first stage of legislative reforms were proclaimed on 6 April 2020, with the second commencing on 1 May 2020. Within the second stage there are several items that need to be completed within a grace period of four months from the 1 May 2020, meaning that these requirements need to be in place by 1 September 2020. These include the Governance Rules and the Public Transparency Policy.

Discussion

Governance Rules

The final draft of the Governance Rules is presented to Council as attached. The final draft was informed by public submissions and further internal review by officers. Section 60 of the 2020 Act includes a range of requirements that are addressed in the final draft of the Governance Rules which has received legal review to ensure full compliance with the 2020 Act. This states:

Section 60 – Governance Rules

- (1) A Council must develop, adopt and keep in force Governance Rules for or with respect to the following—
- (a) the conduct of Council meetings;
 - (b) the conduct of meetings of delegated committees;
 - (c) the form and availability of meeting records;
 - (d) the election of the Mayor and the Deputy Mayor;
 - (da) the appointment of an Acting Mayor;
 - (e) an election period policy in accordance with section 69;
 - (f) the procedures for the disclosure of a conflict of interest by a Councillor or a member of a delegated committee under section 130;
 - (g) the procedure for the disclosure of a conflict of interest by a Councillor under section 131;
 - (h) the disclosure of a conflict of interest by a member of Council staff when providing information in respect of a matter within the meaning of section 126(1);
 - (i) any other matters prescribed by the regulations.

Council has developed its current meeting procedures over a number of years and they have previously undergone detailed review, public exhibition, comment and formal consideration. In developing the draft Governance Rules it was proposed to maintain the majority of meeting procedures and only make changes as needed to meet the new legislation. Therefore the draft Governance Rules presented to Council at its Ordinary meeting held 23 June 2020 closely resembled the meeting procedures previously established by Council through Local Law No. 2, as adopted in 2019.

Further review of the meeting procedures has led to minor wording amendments for clarity and to adopt non-gendered language to align with our gender equity commitments and the Charter of Human Rights. Re-ordering of some sections has also taken place to reflect Council's current order of business and procedures. Two clauses relating to Community Asset Committees are deleted because these matters are addressed through new Instruments of Delegation.

Local Government Victoria (LGV) provided Councils with a template Governance Rules to assist them in the development of their own Governance Rules document. The template was provided to assist Councils with structure and format rather than prescribe content which is intended to be developed by each Council. The LGV document was reviewed when the draft Governance Rules were developed.

One notable change between the 1989 Act and the 2020 Act is the definition and disclosure of conflicts of interest. Included in the draft Governance Rules are procedures for the disclosure of a conflict of interest made in accordance with section 130 by a Councillor, a member of a delegated committee, or by a Council officer acting under a delegated power or statutory function.

1.2 Local Government Act 2020 - Governance Rules, Local Law No. 2 - Common Seal and Miscellaneous Penalties, and Public Transparency Policy

The draft Governance Rules also include the Council Election Period (Caretaker) Policy SCS-023 as this is required under section 60 of the 2020 Act. This policy has been amended slightly and new components incorporated to comply with the requirements imposed by section 69 of the 2020 Act.

The draft Governance Rules were placed on public exhibition for a period of 28 days in accordance with the submissions process set out in section 223 of the Local Government Act 1989. Not all submissions related directly to the exhibited documents, but where they did amendments have been able to be considered and are detailed in the Appendix to this report.

Officers have also been working on other governance requirements of the 2020 Act over recent weeks, including exploring whether Council needs to establish any Delegated Committees by 1 September 2020. The only identified committee that could be replaced by a Delegated Committee is the Hearing of Submissions Committee that has previously heard from submitters in person on behalf of Council. The committee structure has provided Council with greater flexibility about dates and items to be heard. Under the 1989 Act, the process for Council to call meetings to hear submissions was more onerous and needed greater lead time. Under the 2020 Act there is greater opportunity for Council to call a meeting for this purpose if Council includes such matters in its Governance Rules.

Having reviewed the Hearing of Submissions Committee structure, it is considered appropriate to include clauses in Council's Governance Rules to enable Council to hold a Council meeting for the purpose of hearing submissions. The final draft of the Governance Rules therefore includes an additional section to allow for Council to hear submissions at a special meeting specifically for the purpose of hearing submissions.

This process also empowers Council to be able to hear submissions on matters that are not being heard under section 223 of the Local Government Act 1989 or the Planning and Environment Act 1987 processes. Currently the Hearing of Submissions Committee operates under a delegation that only provides the power to hear submissions under those specific provisions. This new type of meeting will also ensure that, where appropriate, matters that must undergo deliberative engagement or a community engagement process under the Community Engagement Policy may include allowing submissions to be able to be heard via a special Council meeting set up for that purpose.

The inclusion of these provisions means there is no immediate need to transition the Hearing of Submissions Committee to a delegated committee under section 63 of the Local Government Act 2020. Council could still consider establishing a Delegated Committee in the future if deemed appropriate.

The draft Governance Rules are designed to be clear and instructive for both Council and those in the community wishing to engage with and understand the Council meeting procedures. They are now being submitted to Council for adoption.

The Public Transparency Policy.

Section 57 of the Local Government Act 2020 requires that Councils adopt and maintain a public transparency policy. The policy was drafted in accordance with section 57 of the Act, including giving effect to the public transparency principles which are set out under section 58 of the Act.

In drafting the Public Transparency Policy, consideration was given to the draft policy provided by Local Government Victoria as part of the co-design process, with that document informing much of Council's draft policy.

The Public Transparency Policy was placed on public exhibition along with the Governance Rules and Local Law No. 2 for community review and submission. A number of submissions were made that did not directly relate to the purpose or content of the draft policy. Having reviewed the submissions that did relate to the policy, amendments were made to the definitions for 'transparency' and 'public interest.' This was carried out to improve clarity and understanding of what these terms mean relative to Council. A further addition was made to the policy to clarify Council's obligations in relation to the Privacy and Data Protection Act 2014, which prohibits Council from releasing certain information.

1.2 Local Government Act 2020 - Governance Rules, Local Law No. 2 - Common Seal and Miscellaneous Penalties, and Public Transparency Policy

Local Law No. 2 – Common Seal and Miscellaneous Penalties.

Local Law No. 2 is currently the guiding document for Council's meeting procedures. As the Governance Rules are proposed to replace much of Local Law No. 2 of 2019, consideration was given to the best process to continue to facilitate the use of the Common Seal and any penalties that were contained within the Local Law as these would not be enforceable under the internal Governance Rules document.

The establishment of a revised Local Law No. 2 for the purposes of maintaining the current procedure and penalties for misuse of the Common Seal and inappropriate behaviours at Council meetings is proposed as the optimal solution.

The proposed Local Law No. 2 was reviewed and approved through a process of legal review to ensure it was in accordance with the 1989 and 2020 Acts and was enforceable by law. It was exhibited along with the Governance Rules and Public Transparency Policy for public comment. No submissions were received in relation to proposed Local Law No. 2.

To ensure ongoing governance and regulation over the use of the Common Seal and the enforceability of offences committed at Council meetings, it is proposed that the Local Law No. 2 - Common Seal and Miscellaneous Penalties be adopted by Council.

Chapter 1 GOVERNANCE FRAMEWORK

Part 1 – Governance Structure

The Surf Coast Shire Council is governed by the Act.

According to the Act, the role of a Council is to provide good governance in its municipal district for the benefit and wellbeing of that community.

Section 8 of the Act defines 'good governance' as the Council performing its role in accordance with the overarching governance principles, and the Councillors of the Council performing their role by participating in the decision making of Council, representing the interests of the municipal community whilst participating in that decision making, and contributing to the strategic direction of the Council through the development and review of key strategic documents, including the Council Plan.

As set out in section 9 of the Act:

The overarching governance principles are:-

- (a) Council decisions are made and actions taken in accordance with relevant law;*
- (b) Priority is to be given to achieving the best outcomes for the municipal community, including future generations;*
- (c) The economic, social and environmental sustainability of the municipal district, including mitigation and planning for climate change risks, is to be promoted;*
- (d) The municipal community is to be engaged in strategic planning and strategic decision making;*
- (e) Innovation and continuous improvement is to be pursued;*
- (f) Collaboration with other Councils and Governments and statutory bodies is to be sought;*
- (g) The ongoing financial viability of the Council is to be ensured;*
- (h) Regional, state and national plans and policies are to be taken into account in strategic planning and decision making;*
- (i) The transparency of Council decisions, action and information is to be ensured.*

A local government consists of two separate but connected components. The Council, which is made up of 9 Councillors, who make decisions through Council meetings including setting the strategic direction through strategic documents such as the Council Plan; and the organisation which carries out the day to day operations, consisting of employees led by the Chief Executive Officer (CEO).

The CEO will ensure the effective and efficient management of the day to day operations of the Council, and support the Mayor and Councillors in performing their roles. The CEO is delegated certain powers and responsibilities either directly under the Act or by Council.

Council may establish delegated committees to make decisions on Council's behalf under delegated power.

The procedures and processes set out in these Governance Rules underpin this governance structure or framework which supports the delivery of good governance by Surf Coast Shire Council.

Part 2 – Decision Making

1. Council decision making

Council must consider, and make decisions on, any matter being considered by Council fairly and on the merits.

Any person whose rights will be directly affected by a decision of the Council is entitled to:

- a) communicate their views by written submission;
- b) subsequently speak to their submission or to have a person speak on their behalf; and
- c) have their interests considered.

For the purposes of this clause, a decision of Council means the following—

- a) a resolution made at a Council meeting;
- b) a resolution made at a meeting of a Delegated Committee; or
- c) the exercise of a power or the performance of a duty or function of Council by a member of Council staff or a Community Asset Committee under delegation.

2. Role of the Chair

The way in which Council and Delegated Committee meetings are conducted makes a significant contribution to good governance.

The Chair plays a crucial role in facilitating an orderly, respectful, transparent and constructive meeting by ensuring all Councillors and members of delegated committees have the opportunity to be heard, matters are adequately discussed, meeting procedures are followed appropriately, and statutory requirements are adhered to.

The Chair is an independent leader of meetings and generally does not participate in debate or move or second motions.

The Act provides for the Mayor to appoint a Councillor as the Chair of a Delegated Committee and any such appointment prevails over any appointment made by Council. While there are no limitations on exercising that power, the Mayor must always act in a way that is consistent with the adopted Councillor Code of Conduct and transparency commitments of the Council.

Specific duties and discretions of the role of the Chair are outlined throughout these Governance Rules.

3. Responsibilities of Chair, Councillors, Committee Members and Council Officers

In addition to the Chair, each member of the meeting has an obligation to participate in good decision-making.

The Chair, Councillors, members of delegated committees and Council officers will ensure good Council decision-making by endeavouring to ensure:

- Decision making is transparent to members and observers;
- Meeting members have sufficient information to make good decisions;
- Every member is supported to contribute to decisions;
- Any person whose rights are affected has their interests considered;
- Debate and discussion is focussed on the issues at hand;
- Meetings are conducted in an orderly manner.
- Decisions should be made on the merits of the matter.

1.2 Local Government Act 2020 - Governance Rules, Local Law No. 2 - Common Seal and Miscellaneous Penalties, and Public Transparency Policy

4. Community

Council meetings form a significant part of the organisation's decision making, and are therefore open for the community to attend in person or view proceedings via Council's website.

Community members may participate in Council meeting through public question time in accordance with clause 17 in Chapter 2 of these Governance Rules, allowing the community to communicate their views and have their interests considered.

Community members are encouraged to participate in Council's community engagement processes which are conducted in accordance with Council's Community Engagement Policy.

Community members may seek to inform individual Councillors of their views by contacting them directly in advance of meetings.

- 30.6 An amendment must not amount to a direct contradiction of the motion.

1.2 Local Government Act 2020 - Governance Rules, Local Law No. 2 - Common Seal and Miscellaneous Penalties, and Public Transparency Policy

- 31.3 If the substantive motion during which a Councillor foreshadowed a motion is lost, the Chair shall call on that Councillor to move their foreshadowed motion. If seconded, the motion shall then be the substantive motion and is subject to the debate rules outlined in clause 26.

Chapter 4 ELECTION PERIOD POLICY

Purpose

The purpose of this policy is to provide clear procedures and practices that explain how Council business will be conducted in the period leading up to a Council election i.e. during the election period. This is to ensure that Council elections are not compromised by inappropriate electioneering by existing Councillors and to safeguard the authority of the incoming Council.

Scope

During the election period, the business of Council still needs to continue and ordinary matters of administration still need to be addressed. This policy establishes a series of practices applicable during the election period.

Application

This policy applies to Council, Councillors, delegated committees, Council officers and contracted service providers.

Election Period

The election period means the period that:

- (a) starts at the time that nominations close on nomination day; and
- (b) ends at 6 p.m. on election day.

As soon as possible, and no later than 30 days prior to the commencement of the Election Period, the Chief Executive Officer will ensure that:

- (a) all Councillors and members of Council staff are informed of the requirements of this policy, and
- (b) a copy of this policy is given to all Councillors.

Policy

Council will ensure that, during the election period, its business is conducted in a way which does not compromise the election process and which safeguards the authority of the incoming Council. It will ensure that candidates are treated equally, fairly and transparently, with no advantage being provided to sitting Councillor candidates.

This policy is compliant with the legislative requirement under section 69 of the *Local Government Act 2020*.

The policy should be reviewed and, if required, amended not later than 12 months before the commencement of each subsequent election period.

Prohibited decisions

Council is prohibited from making any Council decision:

- (a) during the election period for a general election that:
 - (i) relates to the appointment or remuneration of the Chief Executive Officer but not to the appointment or remuneration of an Acting Chief Executive Officer; or
 - (ii) commits the Council to expenditure exceeding one per cent of the Council's income from general rates, municipal charges and service rates and charges in the preceding financial year; or
 - (iii) the Council considers could be reasonably deferred until the next Council is in place; or
 - (iv) the Council considers should not be made during an election period; or
- (b) during the election period for a general election or a by-election that would enable the use of Council's resources in a way that is intended to influence, or is likely to influence, voting at the election.

1.2 Local Government Act 2020 - Governance Rules, Local Law No. 2 - Common Seal and Miscellaneous Penalties, and Public Transparency Policy

What is a Council decision?

For the purposes of this policy, **Council decision** means the following:

- a) a resolution made at a Council meeting;
- b) a resolution made at a meeting of a delegated committee; or
- c) the exercise of a power or the performance of a duty or function of Council by a member of Council staff (which includes the Chief Executive Officer) or a Community Asset Committee under delegation.

Required consideration

Careful consideration should be given regarding decisions that are being made at Council or delegated committee meetings in the election period, to ensure that the authority of the incoming Council is not unreasonably compromised. Council will make every effort to either reschedule most decisions until after the new Council commences its term, or if that is not appropriate, bring decisions forward so they are determined before the election period starts.

Examples of decisions that will be avoided during the election period include allocating community grants or other direct funding to community organisations, major planning scheme amendments and changes to strategic objectives and strategies in the Council Plan. During the election period, any other decision will be considered by Council or delegated committees only if absolutely necessary for Council operational purposes or pursuant to a statutory requirement.

Papers prepared for Council or delegated committee meetings during the election period will be carefully vetted to ensure that no agenda matter is included that could potentially influence voters' intentions at the forthcoming election or could encourage Councillor candidates to use the matter as part of their campaign platform.

Councillors will refrain from moving motions on or raising matters at a meeting that could potentially influence voting at the election.

Council Publications

Council is to limit publications during the election period. This is to ensure that Council does not publish material with public funds that may influence, or be seen to influence, people's voting decisions.

Council publications refers to documents that are produced for the purpose of communicating with people in the community including:

- Council newsletters
- Advertisements and notices
- Media release
- Leaflets and brochures
- Mail outs to multiple addressees
- Council's social media accounts
- Council's website

This section provides that the restriction on publication of a document does not include any document published before the election period and any document required to be published under the Act, such as rate notices, food premises registrations and parking fines, which may continue to be disseminated during the election period without limitation.

The Annual Report that is compiled during the election period will not contain any material that could be regarded as electioneering or that inappropriately promotes individual Councillors. Information about Councillors will be restricted to names, contact details, titles, membership of delegated committees and other bodies to which they have been appointed by the Council.

1.2 Local Government Act 2020 - Governance Rules, Local Law No. 2 - Common Seal and Miscellaneous Penalties, and Public Transparency Policy

Council staff will check existing publications and online information before the election period commences and, where appropriate, temporarily withdraw any material that might reasonably influence the election.

Certification Process

Relevant Council publications must be certified by the CEO before they may be printed, published or distributed during the election period, whether by the Council or by anyone acting for the Council. This may require certification before the election period for some material to be issued in the election period.

The CEO must not certify a publication that contains electoral matter, unless that material is about the election process only.

The CEO's certification must be in writing and cannot be delegated to anyone.

Council Communications

Council communications are a legitimate way to promote Council activities and services. It is important that all Councillors have access to the Council's communication resources to enable them to fulfill their elected roles. However, they will not be developed or used in support of a candidate's election campaign.

During the election period:

- A Council employee must not make any public statement that could be construed as influencing the election. Statements of clarification may be required from time to time and these are to be made in consultation with the Community Relations department.
- In the event that a spokesperson is required for any publication or communication, the Mayor or the Chief Executive Officer shall fulfill that role.
- No media advice or assistance will be provided to Councillors in relation to election campaign matters.
- Councillors will not use their position as an elected representative or their access to Council staff and other Council resources to gain media attention specifically in support of an election campaign.
- Councillor profiles on the Council website will be limited to a photograph and contact details. All other communication from a Councillor via the Council website will be removed.

Council Resources

It is essential that due propriety is observed in the use of all Council resources. It is also important that all Councillors have access to the resources necessary to fulfill their elected roles. In order to ensure the proper use of Council resources during the election period the following will apply:

- Council resources, including offices, staff, hospitality, equipment, email, mobile phone and stationery will be used exclusively for normal Council business and will not be used in connection with election campaigning.
- Reimbursements of Councillors' out-of-pocket expenses in the election period will only apply to costs that have been incurred in the performance of normal Council duties, and not for expenses that could be perceived as supporting or being connected with a candidate's election campaign, in accordance with Councillors Entitlements, Expenses and Facilities Policy (SCS-001).
- Council logos, letterheads, or other Council branding should not be used for, or linked in any way to, a candidate's election campaign.
- Council staff will not be asked to undertake any tasks connected with a candidate's election campaign.

Information

Access to information held by Council will be made equally available and accessible to all candidates during the election period. Council recognises that all election candidates have the right to receive information from the Council administration, subject to the *Privacy and Data Protection Act 2014* which may prevent the disclosure of certain information. However, it is important that Councillors continue to receive the information that is necessary to fulfill their elected roles. Councillors shall not request or receive information or advice from Council staff to support election campaigns, and there shall be complete transparency in the provision of all information and advice during the election period.

1.2 Local Government Act 2020 - Governance Rules, Local Law No. 2 - Common Seal and Miscellaneous Penalties, and Public Transparency Policy

A process will be instigated whereby information requested by any candidate will be made available to all candidates in a timely manner, having regard to the reasonableness of the request. This will be achieved via a dedicated candidate information page on Council's website or a group email, as appropriate.

Requests for clarification relating to provision of information should be directed to the Governance and Risk Department who may refer the request to the Chief Executive Officer or appropriate senior management.

Functions, Public Consultation and Events

Public consultation and Council events will not take place during the election period unless the CEO can justify to the community the special circumstances making it necessary to conduct these activities and how risks related to influencing the election will be mitigated or prevented. Any event, public consultation or function that is held during the election period shall relate only to legitimate Council business and shall not be used, or be able to be construed to be used, in connection with any election activity.

All speeches prepared for use at events or functions shall be reviewed by the Manager Governance and Risk in conjunction with the Coordinator Communications and Community Engagement to ensure the content does not breach this Policy or the Act.

Where deemed appropriate Councillors may make speeches during events or functions however the speech must not have any political reference which may be construed as giving a sitting Councillor any advantage during the election period.

Travel and Accommodation

During the election period Councillors shall not undertake any interstate or overseas travel in their capacity as a Councillor. In circumstances where it is imperative that the Mayor (or nominee) represents Council on a delegation or forum, Council may by resolution approve such attendance. If consideration by Council is impractical, the Chief Executive Officer may determine the issue.

Advice to Candidates about the election process

All candidates for the Council election will be treated equally. Towards this outcome:

- Any advice to be provided to candidates as part of the conduct of the Council election should be provided equally to all candidates.
- All election related enquiries from candidates, whether sitting Councillors or not, will be directed to the Returning Officer or, where the matter is outside the responsibilities of the Returning Officer, to the Chief Executive Officer (or appropriate senior management).

Monitoring the Policy

The Chief Executive Officer is responsible for determining the outcome of any issues that arise in relation to the implementation of this policy.

Chapter 1 GOVERNANCE FRAMEWORK

Part 1 – Governance Structure

The Surf Coast Shire Council is governed by the Act.

According to the Act, the role of a Council is to provide good governance in its municipal district for the benefit and wellbeing of that community.

Section 8 of the Act defines 'good governance' as the Council performing its role in accordance with the overarching governance principles, and the Councillors of the Council performing their role by participating in the decision making of Council, representing the interests of the municipal community whilst participating in that decision making, and contributing to the strategic direction of the Council through the development and review of key strategic documents, including the Council Plan.

As set out in section 9 of the Act:

The overarching governance principles are:-

- (a) Council decisions are made and actions taken in accordance with relevant law;*
- (b) Priority is to be given to achieving the best outcomes for the municipal community, including future generations;*
- (c) The economic, social and environmental sustainability of the municipal district, including mitigation and planning for climate change risks, is to be promoted;*
- (d) The municipal community is to be engaged in strategic planning and strategic decision making;*
- (e) Innovation and continuous improvement is to be pursued;*
- (f) Collaboration with other Councils and Governments and statutory bodies is to be sought;*
- (g) The ongoing financial viability of the Council is to be ensured;*
- (h) Regional, state and national plans and policies are to be taken into account in strategic planning and decision making;*
- (i) The transparency of Council decisions, action and information is to be ensured.*

A local government consists of two separate but connected components. The Council, which is made up of nine Councillors, who make decisions through Council meetings including setting the strategic direction through strategic documents such as the Council Plan; and the organisation which carries out the day to day operations, consisting of employees led by the Chief Executive Officer (CEO).

The CEO will ensure the effective and efficient management of the day to day operations of the Council, and support the Mayor and Councillors in performing their roles. The CEO is delegated certain powers and responsibilities either directly under the Act or by Council.

Council may establish delegated committees to make decisions on Council's behalf under delegated power.

The procedures and processes set out in these Governance Rules underpin this governance structure or framework which supports the delivery of good governance by Surf Coast Shire Council.

1.2 Local Government Act 2020 - Governance Rules, Local Law No. 2 - Common Seal and Miscellaneous Penalties, and Public Transparency Policy

Part 2 – Decision Making

1. Council decision making

Council must consider, and make decisions on, any matter being considered by Council fairly and on the merits.

Any person whose rights will be directly affected by a decision of the Council is entitled to:

- a) communicate their views by written submission;
- b) subsequently speak to their submission or to have a person speak on their behalf; and
- c) have their interests considered.

For the purposes of this clause, a decision of Council means the following—

- a) a resolution made at a Council meeting;
- b) a resolution made at a meeting of a Delegated Committee; or
- c) the exercise of a power or the performance of a duty or function of Council by a member of Council staff or a Community Asset Committee under delegation.

2. Role of the Chair

The way in which Council and Delegated Committee meetings are conducted makes a significant contribution to good governance.

The Chair plays a crucial role in facilitating an orderly, respectful, transparent and constructive meeting by ensuring all Councillors and members of delegated committees have the opportunity to be heard, matters are adequately discussed, meeting procedures are followed appropriately, and statutory requirements are adhered to.

The Chair is an independent leader of meetings and generally does not participate in debate or move or second motions.

The Act provides for the Mayor to appoint a Councillor as the Chair of a Delegated Committee and any such appointment prevails over any appointment made by Council. While there are no limitations on exercising that power, the Mayor must always act in a way that is consistent with the adopted Councillor Code of Conduct and transparency commitments of the Council.

Specific duties and discretions of the role of the Chair are outlined throughout these Governance Rules.

3. Responsibilities of Chair, Councillors, Committee Members and Council Officers

In addition to the Chair, each member of the meeting has an obligation to participate in good decision-making.

The Chair, Councillors, members of delegated committees and Council officers will ensure good Council decision-making by endeavouring to ensure:

- Decision making is transparent to members and observers;
- Meeting members have sufficient information to make good decisions;
- Every member is supported to contribute to decisions;
- Any person whose rights are affected has their interests considered;
- Debate and discussion is focussed on the issues at hand;
- Meetings are conducted in an orderly manner;
- Decisions should be made on the merits of the matter.

1.2 Local Government Act 2020 - Governance Rules, Local Law No. 2 - Common Seal and Miscellaneous Penalties, and Public Transparency Policy

4. Community

Council meetings form a significant part of the organisation's decision making and are therefore open for the community to attend in person or view proceedings via Council's website.

Community members may participate in Council meetings through public question time in accordance with clause 17 in Chapter 2 of these Governance Rules, allowing the community to communicate their views and have their interests considered.

Community members are encouraged to participate in Council's community engagement processes which are conducted in accordance with Council's Community Engagement Policy.

Community members may seek to inform individual Councillors of their views by contacting them directly in advance of meetings.

An agenda for each Council meeting will be provided to Councillors in advance so that they can prepare adequately for the Council meeting. The Agenda contains the order of business and the professional advice of the organisation with recommendations for Council to consider.

This is to ensure that Council elections are not compromised by inappropriate electioneering by existing Councillors and to safeguard the authority of the incoming Council.

Scope

During the election period, the business of Council still needs to continue and ordinary matters of administration still need to be addressed. This policy establishes a series of practices applicable during the election period.

Application

This policy applies to Council, Councillors, delegated committees, Council officers and contracted service providers.

Election Period

The election period means the period that:

- (a) starts at the time that nominations close on nomination day; and
- (b) ends at 6 p.m. on election day.

As soon as possible, and no later than 30 days prior to the commencement of the Election Period, the Chief Executive Officer will ensure that:

- (a) all Councillors and members of Council staff are informed of the requirements of this policy, and
- (b) a copy of this policy is given to all Councillors.

Policy

Council will ensure that, during the election period, its business is conducted in a way which does not compromise the election process and which safeguards the authority of the incoming Council. It will ensure that candidates are treated equally, fairly and transparently, with no advantage being provided to sitting Councillor candidates.

This policy is compliant with the legislative requirement under section 69 of the *Local Government Act 2020*.

The policy should be reviewed and, if required, amended not later than 12 months before the commencement of each subsequent election period.

Prohibited decisions

Council is prohibited from making any Council decision:

- (a) during the election period for a general election that:
 - (i) relates to the appointment or remuneration of the Chief Executive Officer but not to the appointment or remuneration of an Acting Chief Executive Officer; or
 - (ii) commits the Council to expenditure exceeding one per cent of the Council's income from general rates, municipal charges and service rates and charges in the preceding financial year; or
 - (iii) the Council considers could be reasonably deferred until the next Council is in place; or
 - (iv) the Council considers should not be made during an election period; or
- (b) during the election period for a general election or a by-election that would enable the use of Council's resources in a way that is intended to influence, or is likely to influence, voting at the election.

1.2 Local Government Act 2020 - Governance Rules, Local Law No. 2 - Common Seal and Miscellaneous Penalties, and Public Transparency Policy

What is a Council decision?

For the purposes of this policy, **Council decision** means the following:

- a) a resolution made at a Council meeting;
- b) a resolution made at a meeting of a delegated committee; or
- c) the exercise of a power or the performance of a duty or function of Council by a member of Council staff (which includes the Chief Executive Officer) or a Community Asset Committee under delegation.

Required consideration

Careful consideration should be given regarding decisions that are being made at Council or delegated committee meetings in the election period, to ensure that the authority of the incoming Council is not unreasonably compromised. Council will make every effort to either reschedule most decisions until after the new Council commences its term, or if that is not appropriate, bring decisions forward so they are determined before the election period starts.

Examples of decisions that will be avoided during the election period include allocating community grants or other direct funding to community organisations, major planning scheme amendments and changes to strategic objectives and strategies in the Council Plan. During the election period, any other decision will be considered by Council or delegated committees only if absolutely necessary for Council operational purposes or pursuant to a statutory requirement.

Papers prepared for Council or delegated committee meetings during the election period will be carefully vetted to ensure that no agenda matter is included that could potentially influence voters' intentions at the forthcoming election or could encourage Councillor candidates to use the matter as part of their campaign platform.

Councillors will refrain from moving motions on or raising matters at a meeting that could potentially influence voting at the election. **Council Publications**

Council is to limit publications during the election period. This is to ensure that Council does not publish material with public funds that may influence, or be seen to influence, people's voting decisions.

Council publications refers to documents that are produced for the purpose of communicating with people in the community including:

- Council newsletters
- Advertisements and notices
- Media release
- Leaflets and brochures
- Mail outs to multiple addressees
- Council's social media accounts
- Council's website

This section provides that the restriction on publication of a document does not include any document published before the election period and any document required to be published under the Act, such as rate notices, food premises registrations and parking fines, which may continue to be disseminated during the election period without limitation.

The Annual Report that is compiled during the election period will not contain any material that could be regarded as electioneering or that inappropriately promotes individual Councillors. Information about Councillors will be restricted to names, contact details, titles, membership of delegated committees and other bodies to which they have been appointed by the Council.

1.2 Local Government Act 2020 - Governance Rules, Local Law No. 2 - Common Seal and Miscellaneous Penalties, and Public Transparency Policy

Council staff will check existing publications and online information before the election period commences and, where appropriate, temporarily withdraw any material that might reasonably influence the election.

Certification Process

Relevant Council publications must be certified by the CEO before they may be printed, published or distributed during the election period, whether by the Council or by anyone acting for the Council. This may require certification before the election period for some material to be issued in the election period.

The CEO must not certify a publication that contains electoral matter, unless that material is about the election process only.

The CEO's certification must be in writing and cannot be delegated to anyone.

Council Communications

Council communications are a legitimate way to promote Council activities and services. It is important that all Councillors have access to the Council's communication resources to enable them to fulfill their elected roles. However, they will not be developed or used in support of a candidate's election campaign. During the election period:

- A Council employee must not make any public statement that could be construed as influencing the election. Statements of clarification may be required from time to time and these are to be made in consultation with the Community Relations department.
- In the event that a spokesperson is required for any publication or communication, the Mayor or the Chief Executive Officer shall fulfill that role.
- No media advice or assistance will be provided to Councillors in relation to election campaign matters.
- Councillors will not use their position as an elected representative or their access to Council staff and other Council resources to gain media attention specifically in support of an election campaign.
- Councillor profiles on the Council website will be limited to a photograph and contact details. All other communication from a Councillor via the Council website will be removed.

Council Resources

It is essential that due propriety is observed in the use of all Council resources. It is also important that all Councillors have access to the resources necessary to fulfill their elected roles. In order to ensure the proper use of Council resources during the election period the following will apply:

- Council resources, including offices, staff, hospitality, equipment, email, mobile phone and stationery will be used exclusively for normal Council business and will not be used in connection with election campaigning.
- Reimbursements of Councillors' out-of-pocket expenses in the election period will only apply to costs that have been incurred in the performance of normal Council duties, and not for expenses that could be perceived as supporting or being connected with a candidate's election campaign, in accordance with Councillors Entitlements, Expenses and Facilities Policy (SCS-001).
- Council logos, letterheads, or other Council branding should not be used for, or linked in any way to, a candidate's election campaign.
- Council staff will not be asked to undertake any tasks connected with a candidate's election campaign.

Information

Access to information held by Council will be made equally available and accessible to all candidates during the election period. Council recognises that all election candidates have the right to receive information from the Council administration, subject to the *Privacy and Data Protection Act 2014* which may prevent the disclosure of certain information. However, it is important that Councillors continue to receive the information that is necessary to fulfill their elected roles. Councillors shall not request or receive information or advice from Council staff to support election campaigns, and there shall be complete transparency in the provision of all information and advice during the election period.

1.2 Local Government Act 2020 - Governance Rules, Local Law No. 2 - Common Seal and Miscellaneous Penalties, and Public Transparency Policy

A process will be instigated whereby information requested by any candidate will be made available to all candidates in a timely manner, having regard to the reasonableness of the request. This will be achieved via a dedicated candidate information page on Council's website or a group email, as appropriate.

Requests for clarification relating to provision of information should be directed to the Governance and Risk Department who may refer the request to the Chief Executive Officer or appropriate senior management.

Functions, Public Consultation and Events

Public consultation and Council events will not take place during the election period unless the CEO can justify to the community the special circumstances making it necessary to conduct these activities and how risks related to influencing the election will be mitigated or prevented. Any event, public consultation or function that is held during the election period shall relate only to legitimate Council business and shall not be used, or be able to be construed to be used, in connection with any election activity.

All speeches prepared for use at events or functions shall be reviewed by the Manager Governance and Risk in conjunction with the Coordinator Communications and Community Engagement to ensure the content does not breach this Policy or the Act.

Where deemed appropriate Councillors may make speeches during events or functions however the speech must not have any political reference which may be construed as giving a sitting Councillor any advantage during the election period.

Travel and Accommodation

During the election period Councillors shall not undertake any interstate or overseas travel in their capacity as a Councillor. In circumstances where it is imperative that the Mayor (or nominee) represents Council on a delegation or forum, Council may by resolution approve such attendance. If consideration by Council is impractical, the Chief Executive Officer may determine the issue.

Advice to Candidates about the election process

All candidates for the Council election will be treated equally. Towards this outcome:

- Any advice to be provided to candidates as part of the conduct of the Council election should be provided equally to all candidates.
- All election related enquiries from candidates, whether sitting Councillors or not, will be directed to the Returning Officer or, where the matter is outside the responsibilities of the Returning Officer, to the Chief Executive Officer (or appropriate senior management).

Monitoring the Policy

The Chief Executive Officer is responsible for determining the outcome of any issues that arise in relation to the implementation of this policy.

Council must adopt and maintain a public transparency policy under section 57 of the Local Government Act 2020 (the Act).

2.0 Policy Principles

This policy supports the Overarching Governance Principles and the supporting Public Transparency Principles listed in section 58 of the Act as follows:

- Council decision making processes must be transparent except when the Council is dealing with information that is confidential by virtue of the Act or any other Act;

The public interest is therefore the interest (welfare and or wellbeing) of the general public as a whole, as distinct from the interest of an individual or a minority, and distinct from being of interest, i.e. satisfying a curiosity.</u> <u>To be considered contrary to the public interest would be where public interest considerations against release are, on balance, outweighed by the public interest considerations in favour of release. Council may refuse to release information if it determines that the harm likely to be created by releasing the information will exceed the public benefit in being transparent. When considering possible harm</u>

- Public awareness of the availability of Council information must be facilitated.

3.0 Scope
