

WELCOME TO SURF COAST SHIRE

We hope you enjoy your stay in our area.

Here's how to use our four-bin kerbside waste collection system in your holiday rental:

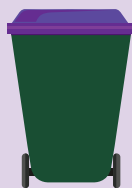

The green lid bin is for FOGO (Food Organics & Garden Organics)

This includes all food waste - meat, dairy, grains, leftovers, seafood, lollies and chocolate, and more.

The yellow lid bin is for RECYCLING

We can recycle rigid plastics numbered 1, 2 and 5, paper, cardboard, and metals in this bin. Things should be pretty clean and dry.

The purple lid bin is for GLASS bottles and jars (without lids)

Empty beer, wine and champagne bottles and any glass food, medicine or makeup jars go in here. The lids can't go in, but you can leave collars and labels on.

The red lid bin is for other GENERAL household waste

This is the place for things like coffee pods, meat trays, takeaway coffee cups and lids, packaging, nappies and baby wipes, Band-aids, and other items that can't go in one of the other bins.

Take soft plastic bags to a Red Cycle drop off point (Coles, Woolies, FoodWorks Lorne, or Anglesea Community House.)
