

Surf Coast Shire has a four-bin kerbside service

FOGO:

food organics (meaning all food waste) and garden organics

Glass-only:

glass bottles and jars (empty, without their lids)

Recycling:

rigid plastics numbered 1,2 and 5, uncoated paper and cardboard, and metal cans and tins

Landfill:

general household rubbish that doesn't go in the other three bins

Download SCRRApp while you're here!

The **Surf Coast Rubbish and Recycling App** makes it easy to:

- check what goes in each bin
- get reminders about bin night
- view and download the collection calendar for the property
- receive notifications when there is a change to the service, like a broken truck, code red fire days, or an extra collection.

Download it today free from the iTunes App store or Google Play store.

**It's
FREE!**
