

Access Surf Coast

The Access Surf Coast series of maps is designed to provide better information to help you get out and about to access your community, whether you're walking, in a wheelchair or scooter or pushing a pram. The maps highlight accessible features, the most accessible pedestrian routes, and provide useful information on public transport.

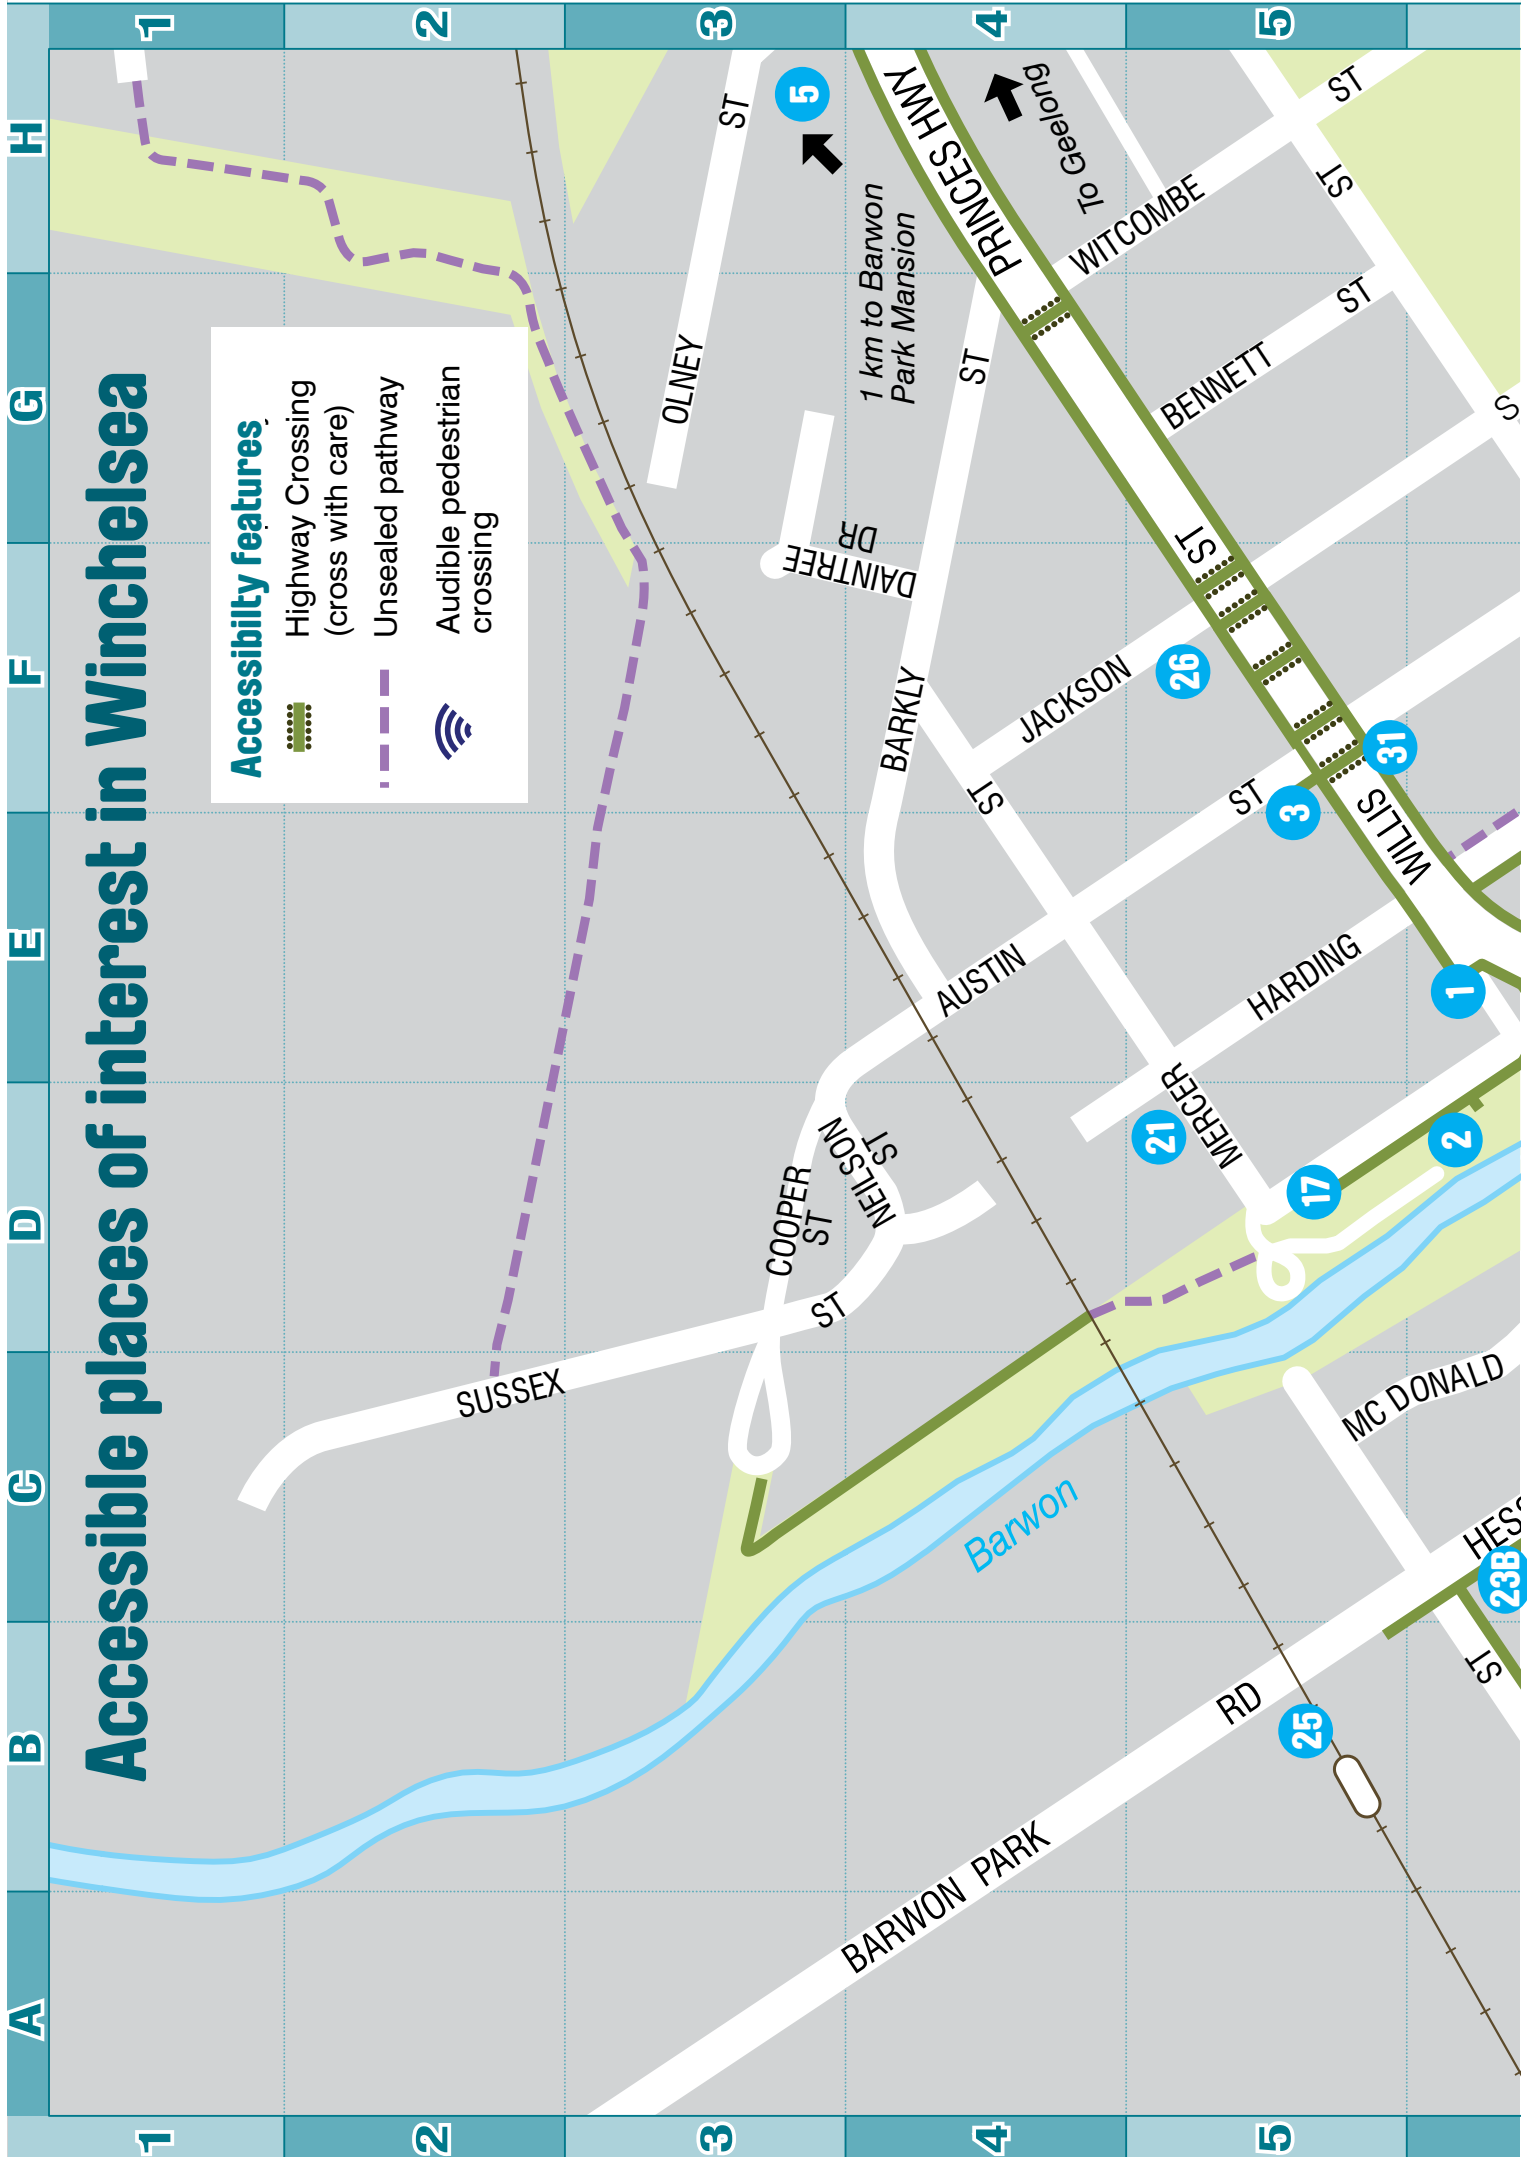

Surf Coast Shire is committed to promoting accessible and inclusive services for all people.

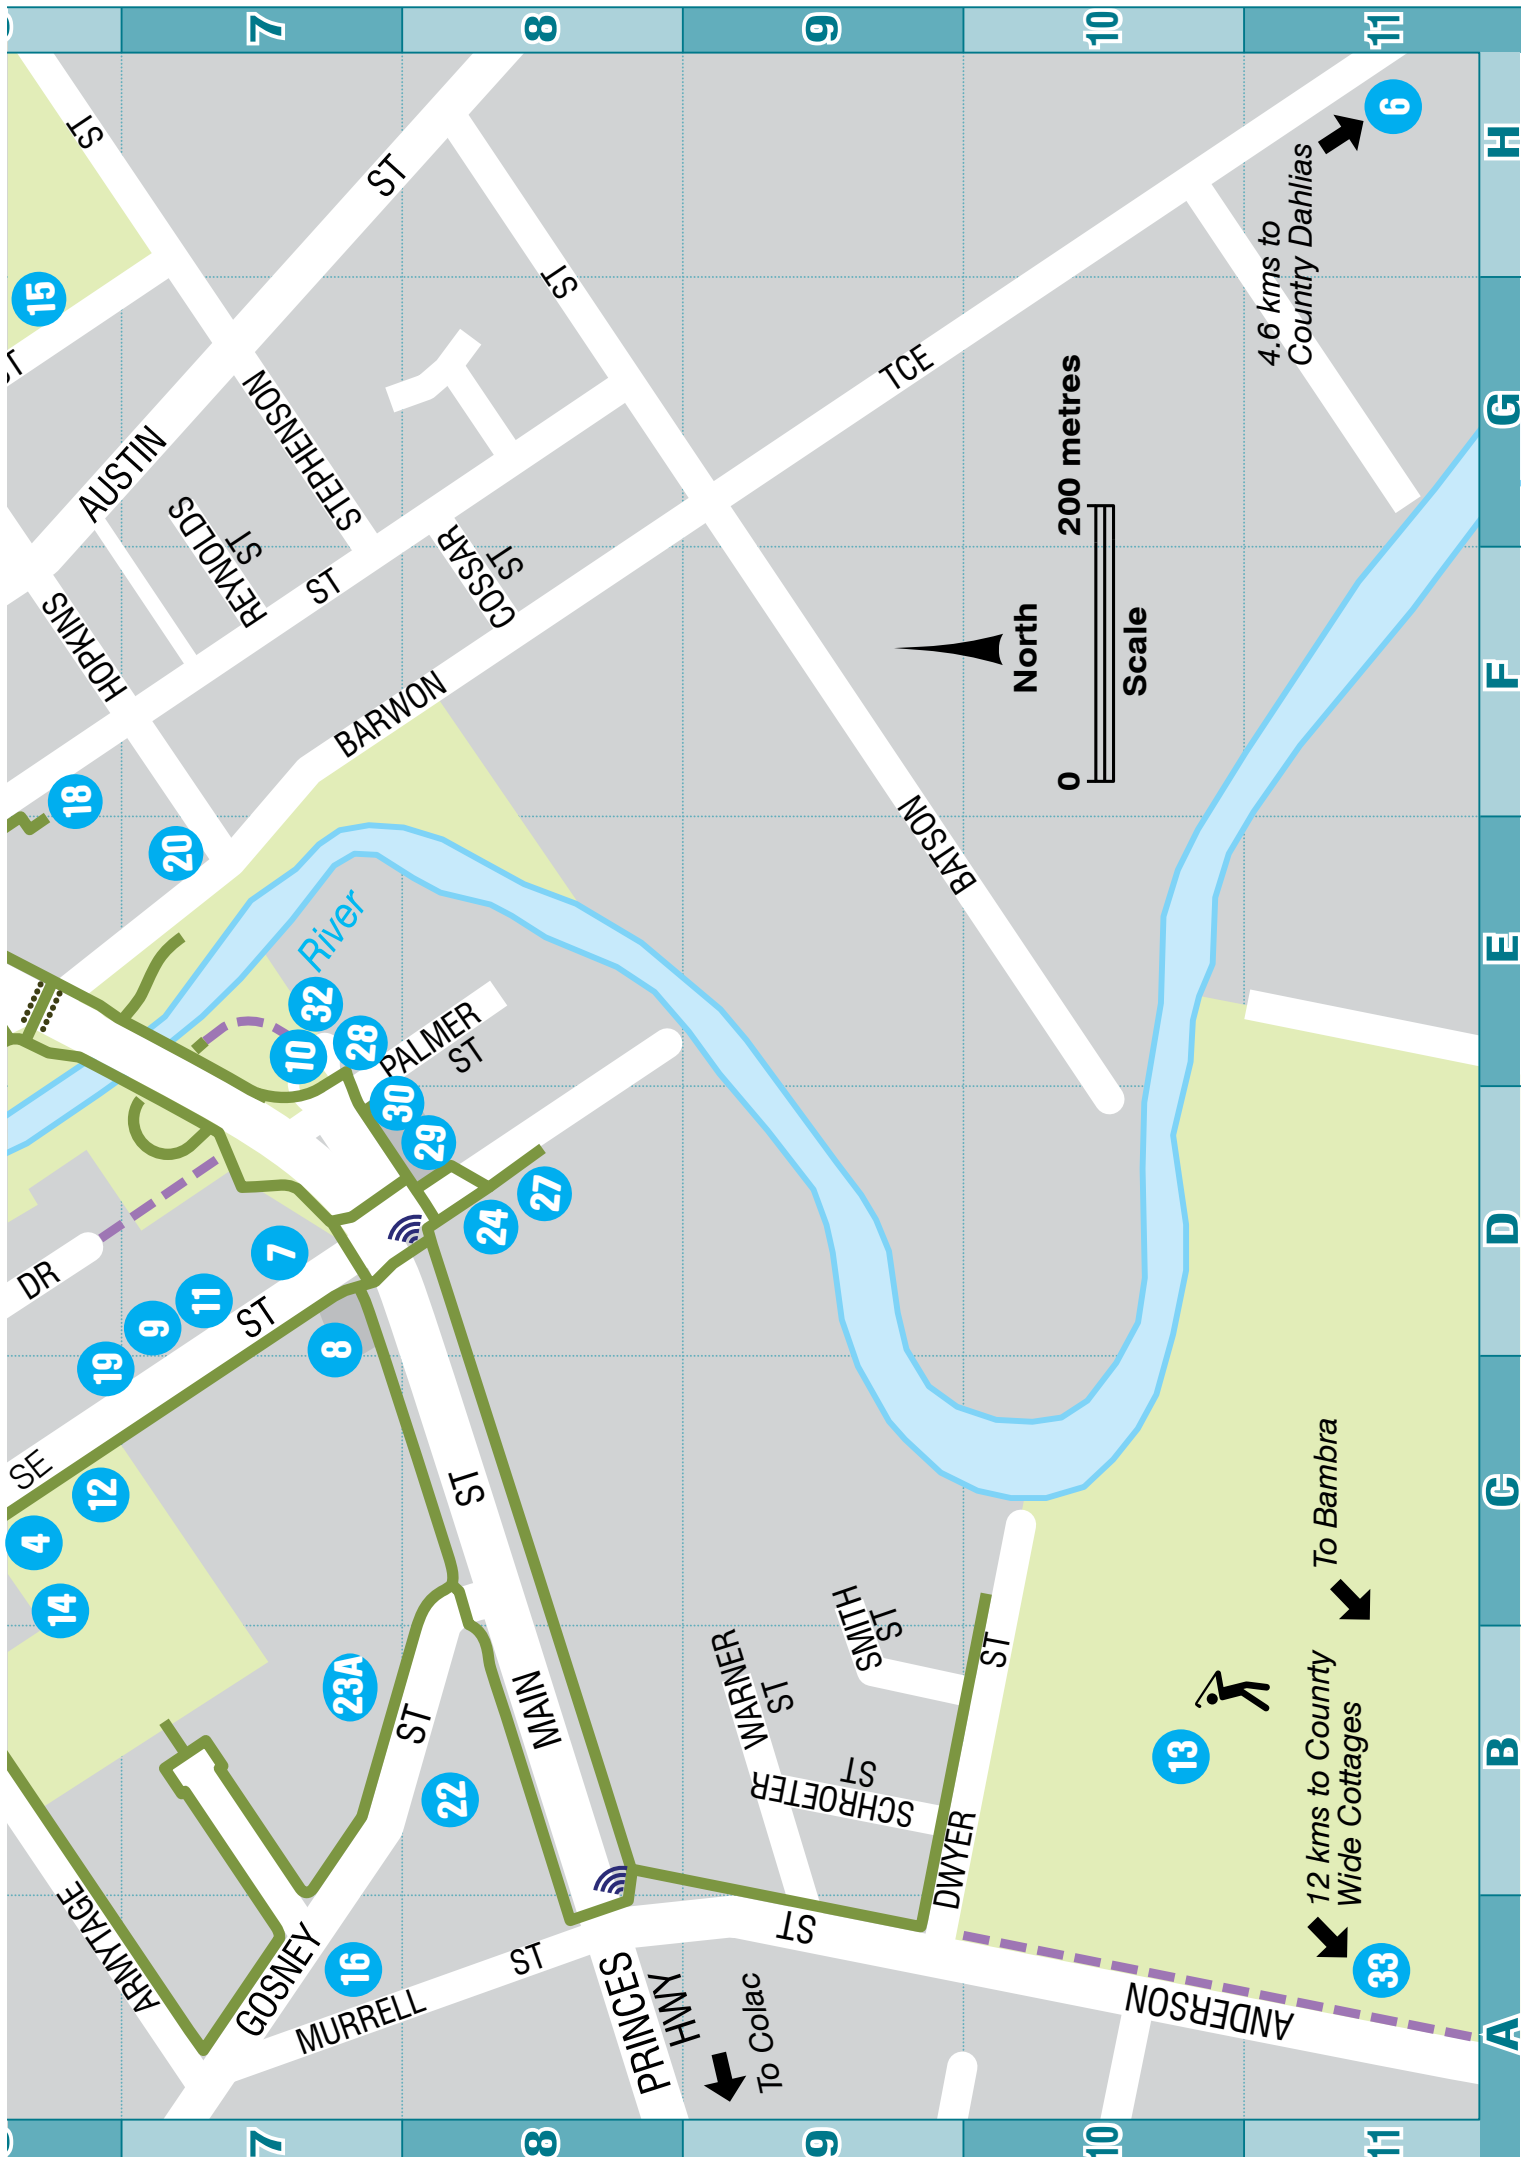

Creating Access Surf Coast maps enables people with mobility issues who live in or visit the Shire to identify accessible features in townships and better access their community.

Accessible places of interest in Winchelsea

Accessibility features

-  Highway Crossing (cross with care)
-  Unsealed pathway
-  Audible pedestrian crossing
