### Nurturing good four-legged citizens

As a dog owner, you are responsible for looking after and training your best friend in how to be a good four-legged citizen. Understanding and observing local dog regulations is vital to your role.

This brochure outlines the dog regulations pertaining to major township areas across Surf Coast Shire and provides a series of maps showing the designated off leash, timeshare and no dogs allowed zones in each town.

### Looking after the littlies – and others

To ensure children's safety and comfort, dogs are not allowed in public playgrounds, as indicated on the maps by . They are however allowed in the surrounding off leash areas marked on the maps with .

Fenced dune and vegetation areas are also off limits and, while the regulations only apply to township areas denoted on the maps, other areas (eg national parks) may be subject to similar restrictions.

Enjoy walking your dog in this beautiful place and help keep it beautiful

**Keeping our beaches clean**  
 Help your dog to keep our beaches clean and protect our sensitive marine environment by picking up its doggy-do, rather than leaving it to wash out to sea or for the flies to transfer to someone's picnic. Carry several bags or containers with you and dispose of used ones in a rubbish bin.

**Looking after your best friend**

To ensure your dog can be easily identified and returned if it strays:

1. Register it with Council, and
2. Get your vet to microchip it.

Under Victorian law, all dogs (and cats) registered for the first time must be microchipped. This entails implanting a tiny, grain-sized computer chip, containing a unique ID number, under the skin. The chip is inert, has no battery and uses no energy but can be scanned to identify your dog. It lasts the dog's lifetime.

It is also advisable to have your dog sterilised (unless intended for breeding).

**Looking after your hip pocket**

As a dog owner, you can be fined for:

- not registering your dog
- walking your dog in a prohibited area
- allowing your dog to wander at large
- not having your dog on a leash when it should be
- failing to pick up after your dog, and/or
- not carrying a doggy-do bag or container and leash.
