To the Resident,

**Re: Great Vic Bike Ride 2019 – Deans Marsh to Torquay road closure notification**

As a local resident, this letter contains some important information regarding Great Vic Bike Ride which will travel through your area on Sunday 1<sup>st</sup> of December with an expected 3,500 riders. Changed traffic conditions such as speed reductions, traffic control and road closures will be in place in the area throughout the event period.

**Major traffic conditions – Sunday 1<sup>st</sup> December 2019**

Location	Closure Type	Road Name	Details	Road Closing	Road Re-opening
Deans Marsh - Lorne	Road Closed	Deans Marsh – Lorne Road	Public Access: No Emergency Access: Yes	6:00am	10:00am*
Lorne – Eastern View	Left Lane Closure (Eastern View bound traffic)	Great Ocean Road	Public Access: No Emergency Access: Yes	8:30am*	11:30am

\*Please note that both closures will not be in place at one time. Once all riders are through closure 1 (Deans Marsh – Lorne Road) closure 2 (Great Ocean Road) will then be put in place. Bicycle Network aims to have both closures open ahead of the above scheduled times.

In addition, there will be a large number of cyclists on the day of the event. As such, please consider alternate routes when possible. However, if you must travel in areas where there are a large number of cyclists on the road, Bicycle Network asks that you remember to:

- Obey all road rules and follow traffic control instructions
- Allow for plenty of clearance when overtaking cyclists
- Be aware of oncoming traffic when overtaking cyclists

In planning the event, we work hard to consider and support all road users, and any changed traffic conditions are implemented in consultation with local councils, Victoria Police and Regional Roads Victoria

If your property is a holiday home or rental it would be greatly appreciated that you pass this information on to the tenants of that property on Sunday 1<sup>st</sup> of December 2019.
