Re-connection Fee of Commercial Accounts

Due to an increase in costs as a result in reclaiming unpaid debts, please be aware that the Surf Coast Shire has now imposed charges for the re-connection of Waste Disposal accounts that have been disconnected, due to late payment.

A letter of warning will be issued to customers over trading terms, if accounts are not received within the required time, these will be disconnected.

A re-connection fee of \$25.00 will then apply, this will have to be paid along with all other outstanding debts before the re-commencement of services.

To avoid any delays to services, please ensure that your accounts are paid within the 30 days trading terms. Failure to do so may result in recovery action being taken without further notice.

Arrears of accounts and charges continue to attract penalty interest currently at 9.50% per annum until paid in full.

Should you wish to discuss any of the above matters further contact the Waste Officer on 5261 0600.
