

Council's proposed 2021-22 budget

Council's proposed 2021-22 budget is scheduled to be considered at the Council meeting on 27 April 2021. Following this, it will be placed on public exhibition for approximately four weeks.

To find out more and to make a submission to the budget visit www.surfcoast.vic.gov.au/budget

With a growing number of commuter and recreational cyclists in the region, Council is developing a Safer Cycling Strategy and Action Plan.

Council is seeking input from all our residents. So whether you are a cyclist, a parent, a driver or a pedestrian, we would love to hear from you.

The strategy will review existing cycling infrastructure on Council's road network, identify any gaps, and seek input, feedback and suggestions on cycling-related issues and concerns.

Take our short survey and pinpoint any cycling issues on our interactive map at www.surfcoast.vic.gov.au/safercycling.

SURVEY OPEN: 19 APRIL – 9 MAY 2021

Your feedback will help inform a Safer Cycling Strategy for our region.

People Place Future

Thanks to everyone who provided their feedback as part of our People Place Future project.

We received more than 1,200 survey responses, which will help us create a long-term community vision for the shire, and develop important strategic plans that will direct Council's efforts to achieve the vision.

As part of the project, a community panel has been established. This diverse group of 35 community members, chosen at random from an expression of interest process, has been meeting regularly since March to hear from experts, deliberate on important topics, and present recommendations to Council.

For the latest project updates, including a full report on the survey feedback, go to:

New Surf Coast Rubbish and Recycling App: SCRRApp

- Get reminders about bin night
- View and download your collection calendar
- Check what goes in each bin
- Receive notifications when there is a change to the service, like a broken down truck, code red fire days or an extra scheduled collection.
