## INTRODUCTION

Pathways have been identified as a major item of infrastructure required by the residents and visitors to the Surf Coast Shire. The many natural attractions within the Shire make it an ideal and desirable location for walking and cycling but the major road crossings and old pathway infrastructure means that the community is requesting more and improved pathways.

The Pathways Group, comprising Council officers from across departments, reviewed information on all the pathways in the Shire which had been completed and updated the plans and tables.

The Group maintained the range of path and trail types in the Surf Coast Shire as adopted in 2006:

- ◆ Regional Pathways that serve as arterial links joining towns and providing a facility of significance to the broader community.
- ◆ Shared Pathways that are the collector pathway systems within towns.
- ◆ Town Pathways that serve the local community linking peoples homes to the shared pathways.
- ◆ Bicycle routes that are the on road marked or signed bicycle network for both regional and local use.

The Pathways Strategy *Connecting Communities* is divided into two parts. **Part A** includes the **Process** undertaken to complete the Strategy, the **Background** information which influenced decision making, the adopted **Policy** areas that apply to all potential pathways, the **Recommendations** required to facilitate the implementation of this Strategy and the Surf Coast Shire **Budget** required to complete a priority 10 Year Works Program.

**Part B** of the Strategy includes the **Works Tables** and **Township Plans**. This part is a “living” document to be annually revised and updated as new paths are completed, budgets are prepared and new strategies, masterplans and development plans are prepared.

**TABLE 9**  
**Summary pathways and estimated costs in each Township for the Pathway Program**

<b>Town</b>	<b>Estimated Cost</b>	<b>Number of Paths</b>
Aireys Inlet	3,595,180	86
Anglesea	4,683,415	58
Bellbrae	1,249,260	13
Bells Beach	531,675	13
Connewarre	27,610	1
Deans Marsh	1,053,740	7
Lorne	2,826,523	35
Moriac	2,856,669	16
Torquay / Jan Juc	15,786,520	137
Winchelsea	4,501,016	51
<b>TOTAL</b>	<b>\$37,111,608</b>	<b>417</b>

**TABLE 10**  
**Aireys Inlet/Fairhaven Pathway Works Program**

**Legend:** ◇ Pathways not included in the priority 10 Year Works Program or Pathways to be funded by other Land Managers  
 ◆ Pathways recommended for funding in the 10 Year Surf Coast Shire Works Program (Year 1 being 2012/13) ◆ Pathway being funded by developers
