

RECYCLING

Empty plastic containers, paper, cardboard, and metals go in the bin with the yellow lid. Never put plastic bags or soft plastic packaging in the recycling bin - items should go in loose.

PLASTICS

Rigid plastic with the numbers 1, 2 or 5

- ✓ Milk and other drink bottles
- ✓ Yoghurt, ice cream and margarine tubs
- ✓ Detergent and shampoo bottles
- ✓ Deodorant (roll-on)
- ✓ Berry punnets
- ✓ Biscuit trays
- ✓ Takeaway containers

PAPER/CARDBOARD

- ✓ Boxes (uncoated)
- ✓ Newspapers
- ✓ Envelopes (you can leave the clear windows in)
- ✓ Food packaging such as pizza boxes, only if empty and not too soiled
- ✓ Egg cartons

METALS

- ✓ Drink cans
- ✓ Tins and cans, including pet food cans
- ✓ Empty aerosol cans (lid off)
- ✓ Aluminium foil (no food residue and crunched into a ball the size of a golf balls or larger)
- ✓ Aluminium foil trays – empty and clean only
- ✓ Metal lids from jars & bottles (not wine caps)

Recycling must go in the bin loose. Never put plastic bags or soft plastic packaging in this bin. **Small plastic lids (like from milk or juice cartons) should be removed and placed in the landfill bin.** Metal beer bottle lids can go into the recycle bin, but aluminium wine caps can't. **Empty all containers and remove lids.** No need to wash items, just scrape them clean.
