

SURF COAST JUNK TRUNK

Surf coast early years services are passionate about recycling and reusing unwanted products. Our children love to recycle, creating imaginative and amazing art.

What do you throw away that we can reuse? From bottle lids to magazines or wood off cuts, just about anything can be made into a masterpiece. Contact us at the Torquay Children's Hub if your business or home has reusable items. Let us put your junk in our trunk.

**The Junk Trunk Recycling Centre is
Located at Torquay Children's Hub
Families & local businesses can donate
recycled resources for the children to
recreate in to art masterpieces**

This is Stuart, our sustainability leader. Stuart's passion for recycling/re-using unwanted items is visible within the program with the children sitting at cut down dining tables and using milk crates for chairs. The recycling area in his room seems to be growing each day with many children adapting their creativity skills with donation to produce
