Grant purpose

Council values the knowledge, skills and motivation people have to take action on ideas that contribute to a thriving Surf Coast Shire community and environment.

The Community Initiatives Grants: Quick Response contribute funds towards **community-led projects that respond to current opportunities and/or needs**.

This may include, for example, projects that increase social connection, inclusion, health, wellbeing, safety, community arts, cultural or environmental outcomes, and/or upskill local volunteers.

[Council Plan 2021-2025](#) provides some information and food for thought on these topics (and others).
